

September 2011

Dear Friend of the Green Circle Trail,

Thank you for your ongoing support of the Green Circle Trail! Gifts received from you and other friends are wonderful investments in the community's quality of life. They help to support major improvements like the rerouting of the Moses Creek segment in 2008, ongoing Trail maintenance, and repair and replacement after severe flooding and storm damage, such as the \$28,000 in damage repair we experienced over the past year.

First Green Circle trail kiosk - Wilshire Ave. (May 2011)

Fortunately, expenditures for major projects like the rerouting of the Moses Creek segment are relatively rare and usually planned for in advance. But, as we were reminded in recent months, flooding and storm damage is unpredictable and often expensive to repair.

That is why we are asking that you renew your support with a donation this fall. And to help us rebuild the cash reserves in our fund, we also ask that you consider increasing your gift amount this year.

We are excited for the future of the Trail, which continues to be a model for other communities throughout the nation. The Green Circle's success is all about people who care and work together to make Central Wisconsin a better place to live. Partnerships between citizens, municipalities, businesses, and conservation groups are so important. Your donation this year will help us continue to build these partnerships to ensure a solid future for the Green Circle.

Thanks again for helping to maintain and enhance one of the best community trail systems in the world! Look for the latest Green Circle Trail updates on www.greencircletrail.org.

Sincerely,

John

E. John Buzza, President
